

We are excited in your interest to take the Build Local Challenge! To submit an application, please write in no more than 2 pages a description of your project and how it meets the challenge criteria listed below. You may submit up to 10 pictures that highlight your project along with your application. Powerpoint applications are encouraged, though we ask that you keep them to a maximum of 10 slides.

Details:

All applications must be received by January 15, 2010.

You may send via email to Ben Deumling: deumling@gmail.com or if you would like to mail a CD, you may do so to:

Ben Deumling
4550 Oak Grove Rd.
Rickreall, OR 97371

Challenge Category (select one):

- Large Scale Project-Based Category focuses on a single project (or design) completed in 2009
- Small Scale Project-Based Category focuses on a single project (or design) completed in 2009
- Company-Based Category focuses on a company's yearlong progress toward reaching Challenge criteria.
- Educational Institution Category is open to all educational institutions.

Summary of Project or Company:

Please provide a brief overall description of your project or company and what you plan to do over the year to meet the Challenge

Challenge Goals:

Please describe how you plan to meet the following Build Local Challenge Goals:

1. Use of responsibly-sourced wood (advancing sustainable forests):
2. Use of local wood and other resources (thriving local forests and economies):
3. Creative Expression in your work in support:
4. Relationships along the value chain (adding value throughout the system):
5. Replicability (enabling others to follow your lead)
6. You tell Us: What are some of the other reasons that you deserve to win the Challenge (ex: affordability, innovation....)
